REFER A FRIEND PROGRAM

We sincerely appreciate the many referrals we receive every year from our residents. As our way of saying thank you, when you refer your friends or family and they move in any of our Great Oaks Management communities, you will receive a \$500 Referral Reward Thank You, and your friend will receive \$500 towards his or her first months rent!*

There is no limit to the amount of Referral Rewards you can receive!

Here's how it works...

- Complete the "Refer A Friend" Registration Form on the back and give it to your Administrator
- Encourage your friends to join you for lunch and a tour
- After your friend has moved in, receive a \$500 discount off your next months rent
- The new resident will receive \$500 off his or her first months rent

***2015 Great Oaks Management Refer a Friend Program**

A 'Refer a Friend' form must be completed and submitted to a Great Oaks Management Community Administrator prior to lease signing. Referred customer must complete a lease agreement and move in. Within 4 weeks of referred customer joining a Great Oaks Management Community, \$500 will be credited to the referring customer's account and the new resident's account. Offer is subject to change and cannot be combined with any other offer. See a Great Oaks Management Representative for details.
